Larkin Local Area Service Reservoir Cleaning and Boil Water Advisory Now Complete

The Township of Spallumcheen would like to thank residents for their patience and confirm that the Larkin Water Local Area Service is **no longer on a Boil Water Advisory as of March 12, 2024.**

The Larkin reservoir cleaning and water line flushing was completed successfully and during those procedures, as per standard practice, a boil water advisory was issued to ensure public safety. Water quality sampling has been completed and it was confirmed by Interior Health that it is now safe to remove that advisory.

Additional links and resources regarding water quality and your water service area can be found on the Township of Spallumcheen website www.spallumcheentwp.bc.ca under [Important Announcements > Water Updates](#)
