(b) Verbal Report from Chief Administrative Officer - Re: Memorandum dated March 19, 2026 - Stepping Stones Subdivision Laneway Ownership (File 143-147) *(CC. 90(1)(g)(i))*

The Township's CAO is in attendance to answer any questions. If Council requires the Township's Lawyer in relation to the Memorandum from the Township's legal team with regards to the Stepping Stones Subdivision Laneway Ownership for the access to Goose Lake Range Park a Special Meeting may be required.

Discussion:

- A member of Council noted that the confirmation that a public road can come into being by dedication by deposit of a subdivision plan showing a portion of the land as a highway as outlined in item 4 in the March 19, 2026 legal opinion.
- A member of Council noted that Spallumcheen has been looking at ways to resolve concerns in conjunction with the RDNO with speed bumps.
- CAO advised that the Township provided for a traffic counter with speed reading which was successful in capturing data. Information was provided in open session.

Sandra McCrea, Chief Financial Officer arrived to the meeting at 3:02 pm.
