May 12, 206 - **Great news for McLeod Subdivision residents: McLeod Road is reopening ahead of schedule!!!**

Huge thanks to the Okanagan Aggregates crew for the incredible work they've put in this week to get this section done early!! A big thank you to them.

Here's what to expect for the rest of construction:

🚧 Single-lane alternating traffic on McLeod Road

🗓️ Construction continues until June 5

🚦 Please follow all signage and traffic control crews

⏳ Plan for short delays through the work zone

Thanks again to the crew, and thanks to residents for your patience this week. We'll keep you posted as the project progresses.
