

## Water District Contact Information

If you reside in an area located within an independently operated Waterworks District you will need to contact them directly with questions or concerns related to water. As of January 2023, the Township has 7 remaining independently operated water districts still remaining within our borders.

*The Township of Spallumcheen has compiled contact information for these Water Districts and provides it here for the convenience of our residents. This information is not within our control and may be updated or changed from time to time. We do not offer any guarantee and are not responsible for ensuring this information is up-to date at all times. We would encourage all residents of these districts to ensure they have emergency contact information on hand and updated directly with your Waterworks district on a regular basis.*
